2007—Tories, Broken Promises:

Promises

vs.

Reality

A range of affordable homes for local people

Only 200 affordable houses built, despite 1100 being needed

Vote Blue, Go Green—zero carbon targets for new developments

NO zero carbon developments. They voted against it

We will spend widely, it is YOUR money

They voted to not investigate a £300,000 overspend. The Liberals called in an external auditor. The Tories and Lib Dems voted to keep his report a secret. So much for "YOUR money"

LIBERAL FOR RYEDALE

Waste of Money on Ryedale Council

Examples include...

- ◆ £12,000 spent on tree and hedge cutting at Ryedale House
- ◆ £25 per hour paid when a firm had asked for £15 per hour
- ◆ An office built by mistake - £5,500
- ◆ Landscaping - £50,000 paid for only £30,000 of work done

The Tories and Liberal Democrat Chair voted to *not* look into these abuses of your money. The Liberals continue to ask the 'awkward questions' to uncover more. This is why we need a stronger Liberal voice on Ryedale District Council

Our Promises

- ◆ Work hard
- ◆ Honest – no perks or fiddles
- ◆ Ask the questions the public want asked and Ryedale District Council don't want to hear
