2007 - What the others promised

What ACTUALLY Happened?

"A range of affordable homes for local people"

"Vote Blue, Go Green - zero carbon targets for new developments"

"We will spend wisely - it is YOUR money"

Only 200 affordable houses built, despite 1100 being needed

NO zero carbon developments. They voted against it

They voted to not investigate a £300,000 overspend. The Liberals called in an external auditor. The Tories and Lib Dems voted to keep his report a secret. So much for "YOUR money"

Waste of Money on Ryedale Council

Examples include...

- ♦ £12,000 spent on tree and hedge cutting at Ryedale House
- ♦ £25 per hour paid when a firm had asked for £15 per hour
- ♦ An office built by mistake - £5,500
- ♦ Landscaping - £50,000 paid for only £30,000 of work done

The Tories and Liberal Democrat Chair voted to *not* look into these abuses of your money. The Liberals continue to ask the 'awkward questions' to uncover more. This is why we need a stronger Liberal voice on Ryedale District Council

Our Promises

- ♦ Work hard
- ♦ Honest - no perks or fiddles
- say what we mean
- ♦ Ask the questions the public want asked and Ryedale District Council don't want to hear

May 5th is an opportunity for the people of Ryedale to tell the politicians what they think of them. Please support the Liberal candidates. We will deliver our promises again.
