LIBERAL FOR LOCAL

## **John Clark writes:**

I will as usual work hard to represent everyone in the Pickering Division whatever their political views.

As a result of the present financial climate, the austerity programme, benefit cuts and the imposition of Council Tax on those who cannot afford, there are a large number of people who are struggling. Please make contact if you need help. We may not succeed but we will always try.

## **Joy Andrews writes:**

I'm still feeling very proud of the fact that the residents of Pickering East have put their trust in me to represent them on Ryedale District Council. I have been elected to the Commissioning Board so I am learning rapidly.

There were many issues that you raised during the campaign. We asked you to raise them again after the election. So please contact us if there are any matters you would like followed up.

We will deliver the four promises we made during the election:

- Work hard
- Be honest
- Ask the questions that the councils don't want to hear
- 

## **First Friday**
