Judge Actions not Promises

Tory Priorities

"Protect our Countryside."

"Understanding the needs of farmers and tourism."

"Supporting voluntary organisations and older people."

"Successful in delivering affordable housing."

"A 0% council tax increase while still maintaining services."

"Find a solution to the problem of fly tipping."

What actually happened

All the Conservatives on RDC supported fracking. Fracking with 100's of oil wells in Ryedale will harm our countryside, farming and tourism.

Ryedale Conservative councillors sold the Bowls Club to the bowlers even though Ryedale people already owned it.

We need to build 278 affordable homes each year. The Conservative led Council has a target of only 75 which it then struggles to deliver.

A 20% increase of payment to RDC for those with a brown bin.

They sold off the Bowls Club.

They are selling off Wentworth Street Car Park.

The Conservative councillors charged for Green Waste.

Our Promises:

- To work hard
- To be honest
- To ask the awkward questions
